## THE MAYORS CORNER

On behalf of the Borough Council, Planning/Zoning Board, and all our Borough employees, we wish you all a safe, happy and healthy New Year! As I draft my first Mayor's Corner message, I find I must start with a "thank you" to our outgoing Mayor, Don Sullivan. Don served 8 years as our Mayor and has certainly earned his retirement. I want to thank the members of the Borough's event committee and Newfield Fire Department for again hosting Santa Claus for our children. It was a great event, and we all

## MAYOR'S CORNER (Continued from Page 1)

appreciate all those who volunteered to make it a success. If you missed any event this past year, I highly recommend signing up for the Borough's One Call System. You can sign up by sending your name, address and phone number via email to: [councilpierce@newfieldboro.org](mailto:councilpierce@newfieldboro.org).

As we enter the winter months, please remember that you must remove all vehicles from the streets in the event of a snow or ice event. Public Works will be out plowing our streets, and it is for their safety, and yours, that the streets remain open.

As I enter my first year as Mayor, I am very grateful to have a seasoned Council, with experienced professionals to lean on, and learn from. I look forward to serving our community.

Chuck Grova, Mayor

### NEWFIELD PUBLIC WORKS

Happy New Year from everyone at Newfield Public Works! The fall leaf and limb curbside pickup is now complete. There should be nothing in the streets until Spring. This gives the Public Works Department room to de-ice and plow snow. Please remember to keep all vehicles off Borough roads during snow and ice events. Also, please move all basketball rims that are hanging over the road. Any limbs that come down in a storm should be placed behind the curbs. Please call 856-697-4332 to schedule a pickup. We will be picking up Christmas trees in January. If you have questions please feel free to call the Public Works Department at 856-697-4332.
