

GLOUCESTER COUNTY 2024 FARMLAND PLAN UPDATE

PUBLIC MEETING THURSDAY MARCH 14, 2024

6:30 PM

Office of Land Preservation
Building
254 County House Road
Clarksboro

Gloucester County is...

- 215,471 acres total
- 28% of the County is Farm Assessed
- 19,490 acres of preserved farms
- 3,487 acres of preserved open space
- 33% of the County's Farmland is permanently protected

Gloucester County encourages anyone interested in understanding and participating in identifying the strategies and objectives for the County's Farmland Preservation Plan to attend. This meeting offers you the opportunity to comment on the future of the farmland program.
