

Work Session Meeting
June 13, 2024
7:00 PM

Council President Carrow called the meeting to order with a flag salute. This meeting was duly advertised in accordance with the Open Public Meetings Law, PL 1975, Chapter 231.

Call of the Roll: Mr. Carrow, Mr. Miller, Mr. Corwonski, Miss Renzi. And Mrs. Engle. Absent: Mr. Curcio, Solicitor Moustakas and Mayor Grova. Also present was Engineer, Wayne Johnson.

Miss Renzi expressed her concerns regarding the historic society's usage of the space in the senior center. It has expanded since originally discussed and it may not be feasible. Council discussed some other possibilities which included renovating the old historical building to include a temperature-controlled environment for some of the documents. Miss Renzi advised she would call Mrs. Heather tomorrow to discuss further.

Mr. Miller discussed the proposed matter that is going to be heard at the July meeting before the Planning/Zong board. A solar field is being proposed on the location of the Shieldalloy property. Mr. Miller advised that he felt that the Borough make a contribution toward our electric bills, possibly the street lighting bills, which are one of our highest costs. Mr. Johnson suggested that we discuss the matter with Mr. Paladino because of the rail lines access that run-through the property which make this very valuable for industrial use. Council agreed to schedule a meeting with Mr. Paladino.

Mr. Corwonski made a motion to adjourn the meeting and Miss Renzi seconded the motion. Meeting was adjourned at 7: 29 PM.
