Mr. Johnson reported that after a long day of back washing the well, it is running in the normal range. This back wash lowered the pressure of the well and we are currently waiting to hear from NJ Futures regarding the test results of the well.

Mr. Johnson reported that he has been working on close outs with soil conservation on the Rosewood Development.

Mr. Johnson noted that he is also working on finalizing Franklin and Rena Street with the DEP so the project can be completed and the Borough can submit to the state for their reimbursement.

Mr. Corwonski made a motion to adjourn the meeting and Mr. Miller seconded the motion. All in favor. The meeting was adjourned at 6:45 PM.
